Rye Nature Center Summer Ecology Camp Registration Procedures and Policies Summer 2008

How to Register

We cannot accept your registration without **ALL** of the following:

- Registration Form (see reverse)
- Emergency/Medical Form
- Immunization Record
- Full payment by check payable to "Friends of Rye Nature Center"

Safety Standards

The Rye Nature Center Summer Ecology Camp operates in accordance with permit requirements of the Westchester County Health Department. The facility is inspected twice yearly. Inspection reports and required plans are filed at 145 Huguenot Street, New Rochelle, NY 10801, and are available for your review.

Camp Policies

Camp counselors will not apply insect repellent. Repellent must be applied prior to arriving at camp.

All photos/videos taken at camp may be used at the discretion of the Friends of Rye Nature Center.

Scholarships

Full and partial scholarships are available and awarded on the basis of financial need or other family hardship. Please contact the Rye Nature Center for information and a confidential application.

Changes/Cancellations

Changes and additions are allowed as space permits. All requests to change or add sessions must be made in writing one week prior to the start of the session. We cannot honor change requests during Monday check-in at the start of a session.

For cancellations requested in writing by June 1st, 2008, the camp fee less \$100 will be refunded. After June 1st, no refunds are available.

About the Emergency and Medical Form

Our camp is licensed and inspected by the Westchester County Health Department. Therefore, we cannot admit a camper without a record of certain immunizations. Use the space on the Emergency and Medical Form or attach a photocopy of the record provided by your pediatrician.

A physical examination is not required to attend camp.

For more information, contact the Rye Nature Center
873 Boston Post Rd., Rye, NY 10580
